

Home Fire Escape Plan

Call **911** if you have an emergency.

Use the space below to create your home fire escape plan.

Draw a floor plan or map of your home. Show all doors and windows.
Mark two ways out of each room.
Mark all of the smoke detectors with (SD). Smoke detectors should be in each sleeping room, outside each sleeping area and on every level of the home.

Pick a family meeting place outside where everyone can meet.
Remember, practice your plan at least twice a year.

Grown-ups: Children don't always awake when the smoke detector sounds. Know what your child will do before a fire occurs. Get more information on smoke alarms and escape planning at www.pbfd.com/fs_index.htm
